

POSITIVE INCIDENCE

Vol. 5 Dec. 2025

A QUICK NOTE TO EVERYONE.

Michael Myers reminded me that the annual dues renewal is fast approaching. Dues will remain the same as last year \$125.00.

You can also stop by Family Hobbies to replenish your supplies and pay your dues at the same time.

FIRE ALARM

Just to let everyone know we had a battery burst into flames while charging about a week ago. It was a bad time to find out that the fire extinguishers that showed a good charge did not work. I mounted two new fire extinguishers on the inside of the 6x6 beams near the charging stations.

PENGUIN DAY

After talking with Gary and Michael we are going to have a second annual Penguin Day (for those from north of the border that's the Frozen Finger Of Faith Day) fun fly and pancake breakfast on January 1 2026. Who will be the first to fly in 2026, how about the first to crash? Come out and let's start the new year out right and have some fun.

THANKS FOR YOUR COOPERATION.

I would like to thank everyone for your due diligence in following the flight boundary guidelines that we had to establish following our encounter with Fiddlers Creek.

One of our snow birds came up with an add-on device that will warn you when you pass a predetermined distance from the transmitter. Perhaps we can learn more about this on Penguin Day.

HAPPY HOLIDAYS

From all the officers and board members we want to wish everyone a happy and safe holiday and a great new year.
